2020 SUMMER INTERNSHIP PROGRAM

The goal of SCS ENGINEERS is to provide students with valuable hands-on technical and engineering business experience through our diverse projects for the clients we serve. This opportunity provides a student the ability to explore the beginnings of his/her own career path.

WHY CHOOSE US?

- Paid Internship
- Full Time over Summer 2020 with flexible start and end dates
- Open to students pursuing a Bachelors or Masters degree in Engineering (Civil, Environmental, or Geotechnical) or Science (Environmental or Geology)
- Must be graduating by June 2022

SCS will have Summer Internship opportunities in the following states:

- Alabama
- Arizona
- California
- Florida
- Georgia
- Kansas
- Minnesota
- New York
- Virginia

Please visit SCSengineers.com/Careers

For a complete list of cities where internships are available and their major/experience requirements go to SCSengineers.com/Careers. Positions will be posted in January 2020! 2020 Summer Internship postings will close at the end of February. You must apply online ASAP to be considered!
