

# 2022 Virginia Solid Waste Seminar

**In-Person:** Roanoke, VA, Friday, March 18th @ Hotel Roanoke

**In-Person:** Richmond, VA, Friday, April 8th @ VA Crossings

**Virtual:** Richmond, VA, April 8th @ Online Via MS Teams

Full event attendance provides (4) CPE/T contact hours toward VA DPOR requirements for Class I & II license renewal.

This half-day seminar is designed to provide updates on the latest regulatory, policy, and technological developments in the solid waste, landfill, landfill gas, and sustainable materials management industries.

The seminar is intended for solid waste management professionals, landfill managers, waste/recycling managers, supervisors, and operators. For attendees already possessing solid waste management and disposal experience, topics will provide a fresh perspective and cover important regulatory and technological updates. For those new to the field, topics will cover essential information on various critical aspects of waste/recycling program collections, transfer, processing, and disposal, as well as landfill development, operations, monitoring, and management.

*Emerging Contaminants – What Could the Future Hold?*
